

LUAḤ 5785 AUDIO ADD-ON

Access Instructions

Your personal license enables access on a maximum of **3** devices.
CAUTION: Multiple browsers on the same device count as separate devices.

More than 200 lines in LUAḤ 5785 are marked with this Audio Add-on icon: 
When you see the icon, follow these steps to play the audio recording:

For the Electronic Edition (eLUAḤ)

1. Click/tap the Audio Add-on icon on the eLUAḤ page.
2. Continue at step 3 below.

For Standard and Large-Print Editions

1. In a web browser, go to www.milesbcohen.com/Audio5785.

The **Audio Add-on Portal** opens.

TIP For quick access in the future, bookmark this web page, add it to your favorites, or make a shortcut for it on your desktop. On a mobile device add it to your Home screen.

2. At the Audio Add-on Portal, click/tap the number that matches the number in the Audio Add-on icon in the LUAḤ. Continue at step 3 below.

All Editions continue here

3. If asked to log in:

NOTE To avoid a prompt to log in at a later time, click/tap **Keep me logged in**. Unless you clear your browser's cookies, you need not log in again.

- **If you purchased other online products from milesbcohen.com:**

Log in with your **username** and the **personal password** you created, or click **FORGOT YOUR PASSWORD?**

- **If you have not purchased other online products from milesbcohen.com:**

Log in with your **username** (see your "Getting Started with LUAḤ Audio Add-on 5785" email) and the temporary password **5785**.

Follow the screen prompts to create a **personal password**. Then, click/tap **Continue**.

An audio player opens.

4. Click/tap to start, pause, and replay as often as desired.

For Standard and Large-Print Editions

To access another Audio Add-on recording, return to the **Audio Add-on 5785 Portal** browser tab.
