

eLuaḥ 5786

Access Instructions

You have 2 options. Use either or both.

CAUTION: Your personal license enables access on a maximum of 3 devices.

Each option counts as a separate device. Each additional browser counts as a separate device.

OPTION 1: Use a web browser (PC, Mac, iOS, Android)

Quick and easy access

1. In a web browser, go to view.protectedpdf.com/portal/milesbcohen. If you are asked to log in:
NOTE: If you click/tap **Keep me logged in**, you will not be asked to log in again unless you clear your browser's cookies.

- **If you purchased other online products from milesbcohen.com, or you installed eLuaḥ 5786 with option 2**, log in with your **username** and the **personal password** you created, or click **FORGOT YOUR PASSWORD?**
- **If you have not purchased other online products from milesbcohen.com**, log in with your **username** (see your "Getting Started with eLuaḥ 5786" email) and the temporary password **5786**. Follow the screen prompts to create a **personal password**. Then, click/tap **Continue**.

Your licensed product(s) appear(s).

2. To open your eLuaḥ, locate and click/tap the **Luaḥ 5786** icon.

Your eLuaḥ opens and is ready to use.

TIP For quick access in the future, bookmark the open eLuaḥ web page, add it to your favorites, or make a shortcut for it on your desktop. On a mobile device add it to your Home screen.

For more tips, including navigating with bookmarks and links, see **Tips for Using eLuaḥ 5786** (on the page following the front cover of the eLuaḥ).

To Enable Offline Viewing

With the eLuaḥ viewer open:

1. Follow the above tip for quick access.

2. In the upper-right corner of the **eLuaḥ viewer**, click/tap the **Save for offline use** icon .

eLuaḥ 5786 is saved in your browser cache. When your device is not connected to the internet, click/tap the bookmark, shortcut, or Home screen icon. Your browser accesses the copy in the cache.

NOTE: Clearing your browser cache also clears the saved eLuaḥ. To resave the eLuaḥ, follow the instructions to enable for offline viewing.
